The Moms Network Newsletter

Summer 2008

## That's a WRAP!

As I write this newsletter which by the way is my last as my position as your Group Leader has come to an end, I am reminded of the very first newsletter that I had written three years ago. At first, I didn't know what to write about let alone had no idea how things were really going to be in the Moms Network.

Well, that was three and half years ago and as you can see, a lot has happened. We've gone from sort of being "In-Active" with very few members and most people didn't know where to find our Ministry to "Very Active" and our membership continues to grow. Most importantly we have an established webpage at St. Frances Cabrini, a slot in the Church Bulletin for any of our upcoming events, or you may find our flyer in Gathering Space and in the Nursery, just to name a few.

## Mom's Night Out

Our Mom's Night Out is scheduled on the 2<sup>nd</sup> Thursday of each month. We meet either at a local restaurant, for a cup of coffee and dessert and perhaps just a chance to connect with Moms and enjoy our time together. We are off for the summer and will resume in September.

If you would like to suggest a place to meet or an activity, please contact Idy at [ldayme@Comcast.net](mailto:ldayme@Comcast.net) or 303/953-0143.

As I look back, I truly have enjoyed meeting each and everyone one of you and will miss you all. In this unforgiving world that we live in, it's always a blessing that we can come to a place that we all have something to share and connect with and that is the Moms Network.

I would like to take this opportunity to thank the Parish for their continued support in our Ministry and also to the Core Team for their valuable time and hard work.

In the words of Mahatma Gandhi ~  
"The best way to find yourself is to lose yourself in the service of others".

Sincerely,
