CURRENT ACTIVITIES

Mom's Network Events

We sponsor several different types of events held at the parish. Our events are designed for Moms to connect with other Moms and share our Catholic faith as well as for our children to interact with each other.

Our events include a Magic Show for the children in the Spring, Mother's Day Brunch with a guest speaker and childcare, Ice Cream Social & Story time in the summer and Mom's Morning Tea which includes Children's Adoration just to name a few.

In addition with our events, we also support a donation event "Outreach & Assistance" program for Bridgeway, building new lives for pregnant teens and their children.

We hope to see you and your family at any of our upcoming events.

Mom's Night Out

We meet at a neighborhood local restaurant, walking & talking at a nearby park, even perhaps a cup of coffee, or a member's home to relax, connect and offer support to each other and just have fun.

We meet every 2nd Thursday of each month from 6:30pm-8:30pm and is planned on a rotational basis.

For additional information, please contact Idayme Vasquez at 303/953-0143 or via idayme@comcast.net.
